

making a way for the next generation

A Legacy of Learning

As the only public-held national foundation supporting dairy initiatives and education across the dairy industry's entire food chain, **Dairy's Foundation**® has been supporting dairy producers and investing in the future, one life at a time, for more than two decades.

It's our mission to share ideas, resources and experiences about important issues surrounding the dairy industry through educational opportunities for dairy producers as well as the public. We believe we were chosen to shape the next generation — and we know that when partners like you work with us, we can steward tomorrow's resources today.

Thanks to your support, we're able to impact the world and
Sharpen dairy professionals' skills | Empower the next generation

You also help us amplify public trust in our people and products

Your giving enables **Dairy's Foundation** to support several educational programs and grants across the country and in multiple languages. Programs such as Agricultural Community Engagement® (ACE), the Center for Dairy Excellence Foundation's Calving Corner, Cornerstone Dairy Academy®, Dairy Managers Institute®, Farmers for Sustainable Food, the National 4-H Dairy Conference, Professional Dairy Producers Mentor Program, and more are making a difference in thousands of lives for young and old, rural and urban. *Check out just a couple testimonials below.*

the impact of **YOUR SUPPORT**

"Financial Literacy for Dairy®"

taught me so much about how I can more effectively help keep our business profitable, growing and running for years to come."

- Jody Schaap, industry professional and producer at Schaap Farms, Woodstock, Minnesota

"Cornerstone Dairy Academy®"

covers a variety of topics you just can't get in one place anywhere else. From markets, generational communication, dining and networking etiquette to connecting with others, there's something for everyone to learn in each pillar."

- Eliza Ruzic, 2024 Cornerstone Dairy Academy graduate, Wisconsin industry professional and producer

the foundation's **ONGOING AIM**

Our world has needs and we're working hard to meet them.

When you support Dairy's Foundation, you're helping provide sustainably produced, nutritious, wholesome food to families across the globe.

Your partnership allows us to educate, equip and empower producers and consumers. In fact, Dairy's Foundation has given over \$1.6 million to enhance the dairy sector over the last two decades. **Thank you!**

OUR LEADERSHIP TEAM

Board Chair | Brian Forrest, Stratford, WI | **Secretary/Treasurer** | Sonia Rarick, Eau Claire, WI
